

Tips for a Great Santa Visit

We want Santa's visit to be very very special. Here are a few tips to help make your Santa visit merry.

Provide a cell phone number of someone at the event who will have it on.

Tell Santa if you have any special needs individuals attending.

Have a backup plan if your event is outside in case of bad weather conditions.

Let Santa know what you wish to have in your event(photos, gifts, sing along, stories)

Have a special place for Santa to park – very close to entrance of event.

Try to decide your photo groups in advance to reduce confusion.

Have someone outside to meet Santa – to show him the way and to load toys into his sack if needed.

Plan it so Santa can make a "Grand Entrance" – Have everyone participating in a common task (singing here come Santa Clause works great.)

Place Santa's Chair so it has a great holiday background for photos. Leave room behind for group photos

Please have a small fan nearby if it is warm inside.

Place payment in a Christmas Card so you don't have to hand Santa a check or cash and risk a child witnessing the transaction.

Keep the children together and occupied to give Santa a few minutes for his departure.
